VANCOUVER, BRITISH COLUMBIA March 18, 2019 – **Jackpot Digital Inc.** (the “Company” or “Jackpot”) (TSX-V: JP) (TSX-V: JP. WT) (US OTCQB: JPOTF) (Frankfurt & Berlin Exchanges: LVH2). Jackpot Digital is pleased to announce that the Company has installed the first Jackpot Blitz™ Electronic Table Game (“ETG”) in Canada at Grey Rock Casino (“Grey Rock”) in Edmundston, New Brunswick. This is the Company’s first land-based Jackpot Blitz™ ETG installation in North America. The Company is planning to install more Jackpot Blitz™ units with the Company’s existing and new clients throughout 2019.

The Company was issued a Gaming Supplier Certificate of Registration (Class 1) in the Province of New Brunswick on January 6, 2019. The Company partners with its Sales and Support Services partner in Canada, R2 Gaming Inc., to lease, support, and service the Company’s Jackpot Blitz™ ETGs in Canada.

Mr. Jake Kalpakian, Jackpot President and CEO, states "This is a substantial development for our Company. Grey Rock Casino was one of our first land-based clients to agree to a Jackpot Blitz™ ETG installation and we are very pleased to partner with them to launch our Jackpot Blitz™ ETG in Canada. With their loyal poker following and innovative promotional efforts, we believe Jackpot Blitz™ will be very popular with their casino patrons. We look forward to this being the first of many land-based Jackpot Blitz™ installations in Canada and the United States."

Mr. Jacques Couturier, General Manager of Grey Rock Casino, states “We are thrilled to be the first in Canada to offer Jackpot Blitz and believe that the unit will do extremely well. The team was quick, friendly, and efficient during the installation. It has been on the floor for less than 7 days and patrons are already taking an interest in it, slot players and live poker players alike. We’re excited to see how many we may add in the future.”
