

JACKPOT DIGITAL COMPLETES FIRST INSTALLATION OF ITS NEXT-GENERATION JACKPOT BLITZ® CASINO MACHINES

Vancouver, British Columbia – March 19, 2024 - Jackpot Digital Inc. (the “Company” or “Jackpot”) (TSX-V: JJ) (TSX-V: JJ.WT.B) (TSX-V: JJ.WT.C) (US OTCQB: JPOTF) (Frankfurt Exchange: LVH3), a leading manufacturer of electronic multiplayer dealerless poker tables, announces it has successfully completed the installation of three (3) Jackpot Blitz® casino machines at Jackson Rancheria Casino Resort (“Jackson Rancheria”), located in Jackson, California.

The installation marks the first-ever deployment of the next-generation version of Jackpot Blitz®, which has been re-designed to meet the specific requirements needed by the land-based casino market.

The successful installation is a critical step and marks the beginning of a new phase of expansion for the Company, which has scheduled several additional installations at casinos in the U.S.A. and worldwide. Jackpot shares in the revenue generated from each new Jackpot Blitz® table installed. With the first installations at Jackson Rancheria, the Company is starting additional new revenue streams from its newly designed land-based Jackpot Blitz®.

Jackpot President & CEO, Jake Kalpakian, states “Now that we have completed our first land-based installation of the next-generation Jackpot Blitz®, we have entered a new stage as a company, moving from the product re-design stage into the active land-based installations stage, beginning an era of land-based casino revenue for the Company. This inaugural installation of our next-generation Jackpot Blitz® represents an inflection point and the culmination of our extensive efforts over several months to reconfigure Jackpot Blitz® for the land-based casino market while dramatically lowering the unit production cost. We will continue to fill our order backlog with several installations scheduled for Q2 and beyond. Our order pipeline is robust and expanding, and we anticipate that 2024 will be a highly successful year for our business.”
